Thorough information! Its this type of great go through. It is amongst the most incredible publication i actually have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

Trafford Publishing, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Back Cover Text They came not in spaceships of flying saucers, but in microscopic spores drifting through the infinitude of space. 100 billion stars, 100 billion solar systems in SB galaxies like our own milky way galaxy. Why did they have to come to our solar system? Somehow they made it past the powerful gravitational fields of the huge frozen outer planets Neptune, Uranus, Saturn, and Jupiter. They made it through the asteroid belt. They avoided being burnt up on Venus, Mercury, or on the sun. Somehow they manage to land on the only planet in the solar system teeming with life - our planet - Earth. Of all the planets, moons and asteroids in our solar system, why did they come here? They were monstrous, hideous, snakelike, vinelike parasite things that attacked, entered, possessed, then duplicated the bodies of the terrestrial life forms. We humans are terrestrial life forms. Dr. Fugate discovered the alien things, but no one believed him. Now twenty years later those alien things live on and walk among us. Dr. Fugate made one very bad mistake. He reported the things to the government. He trusted the government and he should have known better. The United States government is secretly cooperating with those alien things and the President of The United States is probably one of those things! Now, twenty years later vast numbers of those alien things live and walk among us, and their numbers are increasing. Now Dr. Fugate is desperately trying to find a way to combat the alien things and save the world again. But how? It s too late! And he s too old and too sick, both...
