Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Shadow-Line is based upon events and experiences from twenty-seven years earlier to which Conrad returned obsessively in his fiction. A young sea captain's first command brings with it a succession of crises: his sea is becalmed, the crew laid low by fever, and his deranged first mate is convinced that the ship is haunted by the malignant spirit of a previous captain. This is indeed a work full of sudden passions, in which Conrad is able to show how the full intensity of existence can be experienced by the man who, in the words of the older Captain Giles, is prepared to stand up to his bad luck, to his mistakes, to his conscience. A subtle and penetrating analysis of the nature of manhood, The Shadow-Line investigates varieties of masculinity and desire in a subtext that counters the tale's seemingly conventional surface.
