Sally Milner Publishing Pty Ltd. Paperback. Book Condition: new. BRAND NEW, Making Wooden Toys, Geoff Rugless, Even if you have next to nil carpentry skills and no thumbs, you will still find these toys easy to make. What's more, you'll have a lot of fun with this hobby. Your reward will be the glow in the eyes of the lucky children receiving your finished gifts who will, no doubt, rate you next to Father Christmas. These projects are all well within the scope of most amateur woodworkers and require only basic equipment and readily available materials. The book contains a set of 20 projects ranging from the simple car through to a sewing machine with moving interior parts. There are toys to entertain children with a range of interests from a grader to planes, a helicopter, a train and even a pram. All of the toys are practical, attractive and designed to be actively played with.
