Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. 1001 Dark Nights is a collection of breathtakingly sexy and magically romantic novellas inspired by the exotic tales of The Arabian Nights. In the original, Scheherazade desperately attempts to entertain her husband, the King of Persia, with nightly stories so that he will postpone her execution. In our versions, each of our fabulous authors puts a unique spin on the premise and creates a tale that a new Scheherazade tells long into the dark, dark night. When Rainie rushes an injured dog to a clinic, she s appalled to recognize the veterinarian, Jake Sheffield. So not fair. His memory has haunted her for over a decade. And then he showed up at her Shadowlands BDSM club. And now he owns the veterinary clinic? The gods of cruelty must be laughing at her. Master Jake is sophisticated, wealthy, and gorgeous. Rainie s a fluffy ex-slum rat. He d never be with a woman like her. Besides, she s been burned enough times that she won t get serious about any man. Sure, the BDSM club trainees are supposed to be seeking permanent Doms, but no harm, no foul the Masters don t need to know the truth. As a Shadowlands Master, Jake watches out for all the trainees. But one is special. Lush body, a gift for living life to the fullest, always laughing or smiling. Now he s learned she also has a big heart. Although Rainie trips all his switches, she s avoided him since the moment she arrived and he let her have that play. But when she lies to him about her goals, he knows the time has come for a Master to take an active part in her training.
