## COLLECTING SINS (PAPERBACK)

Independent Publishers Group, United States, 1999. Paperback. Condition: New. Language: English . Brand New Book. Collecting Sins is a highly-charged coming-of-age novel set in the Southern California of the late-1960s/early 70s. Steven Sobel evokes the inner environment of Ben, a sensitive and carefree youth confronting adulthood. Ben explores the labyrinth of sewers beneath the San Fernando Valley, cavorts on the sun-drenched, bikini-infested beaches of Santa Monica, and immerses himself in the hippie culture of Topanga Canyon. In the tradition of J.D. Salinger, Carolyn See, and Jay McInerney, Sobel takes us on a rollicking journey through the heady atmosphere of the era. Amplified by drugs, sex, rock n roll, Vietnam, feminism, violence, and poetry. More than the story of an individual, Collecting Sins is the story of a generation before it came to power.
