This is a novel about the temptations of sensuality, but it also narrates the intimate feelings, the yearning and quest for love of a young woman. Whoever enjoyed 50 Shades of Grey, Scandalous or the This Man trilogy might fall in love with the erotic tension in this book as well. Due to sexual content and the subject matter, this book is intended for ages 18. It is tale about a man and a woman who try to find their role in life sharing some common denominators: sensuality paired with the desire to succeed. But they are only to learn, in the course of their marriage, that this volatility of excitement was and will not be sufficient. Daniel is a conventional fellow who focuses on his career in the world of technology. Juliane, on the other hand, sees her marriage slipping away no longer can she cope with her husbands demands for sexual promiscuity to further his chances in his career; nor is she willing to further succumb to those ideas. Sex fulfills her needs and becomes her language of communication perhaps a substitute for normal communication that she has not mastered yet. Her desire for comfort and closeness remains often unanswered, thus she must pay a high price for the path she has chosen. Despite several relationships before her marriage, the young student Juliane is still a novice in matters of love. One day she stumbles into an affair with her husbands best friend...
