

Word Hacks: Tips Tools for Taming Your Text

By Andrew Savikas

O'Reilly Media. Paperback. Condition: New. 304 pages. As one of the applications in Microsoft Office, Word is the dominant word-processing program for both Windows and Mac users. Millions of people around the globe use it. But many, if not most, of them barely skim the surface of what is possible with Microsoft Word. Seduced by the applications supposed simplicity, they settle for just what's obvious—even if it doesn't satisfy their wants and needs. They may curse the wretched Bullets and Numbering buttons multiple times a day or take hours to change the font size of every heading in a lengthy report, yet they're reluctant to dig deeper to take advantage of Word's immense capabilities and limitless customization tools. Let Word Hacks be your shovel. Let it carve your way into Word and make this most popular and powerful application do precisely what you want it to do. Filled with insider tips, tools, tricks, and hacks, this book will turn you into the power user you always wanted to be. Far beyond a tutorial, Word Hacks assumes you have a solid working knowledge of the application and focuses on showing you exactly how to accomplish your pressing tasks, address your frequent...
