Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

This aggressive marketing approach is characterised by creative and legal attacks targeted on competitors in order to maintain or increase awareness and impact to the customer. Guerrilla marketing stands for focusing on conventional goals such as profit or growth, but doing it by using exceptional promotional approaches, like advertising in yellow pages, wild postings or non-traditional outdoor advertising media vehicles. Customers are confronted with an increasing amount of advertising messages per day and therefore organisations have to develop advertising approaches to stand out in today s media fragmentation. Especially small and medium-sized enterprises are having greater internal limitations regarding a restricted budget for marketing communications and facing bigger external uncertainties than large organisation. Thus, marketing campaigns have to become profitable for an enterprise. The low-cost communication effort is one of the major issues for guerrilla marketers. It is particular relevant for a small company to apply a differentiated set of promotional methods to diversify itself from competition, but guerrilla marketing is also becoming more adopted by large enterprises. This dissertation aims to give the reader a complementary insight of guerrilla marketing and investigates its relevance for a small and medium-sized enterprise (SME) in terms of generating profit. The purpose of this study is to identify how relevant this approach is to...
