Pilgrim s Tales, Inc, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\* . - Book of the Year Bronze Award 2010 (travel essays category), ForeWord Magazine After hiking some of the world s great trails, Brandon Wilson was excited to hear about the Via Alpina, paths running across eight countries on the backbone of the Alps. Besides promising immersion into Alpine life and wilderness, it was the ultimate adventure. It meant climbing 3000 feet from valley to mountain hut each day-1200 miles-for months. Optimistically, Wilson envisioned it as a European Appalachian Trail, only with better food and wine. Faster than you can say schnitzel, he coaxed his desk-jockey wife into joining him. Unlike their trek across Tibet, the couple wouldn t dodge bullets. Who knew ice fields, relentless rain, winds, lethal ticks and cow patties could be more dangerous? Then again, the beauty, weird situations and bizarre characters they d meet would help put peril into perspective. It s all here, the daily triumphs and agony of de feet, captured in Wilson s witty, gritty, award-winning style. Over the Top Back Again sweeps you along for an inspiring, yet slightly crazed look at the peerless Alps-and at an everyday couple who dare to follow their gonzo dream. Written by Brandon Wilson, a Lowell Thomas Award-winning author, it is fourth in his series of true travel adventures. This first Via Alpina travelog published in English includes 53 photos, maps and illustrations by Ken Plumb. Reviews: This is my favorite kind of adventure tale: Against all odds, in the face of health, weather, interpersonal, navigational and culinary issues, Brandon Wilson and his somewhat reluctant wife hike it because it s there - or, it s supposed to be. I laughed, I winced, and then...
