Reviews

Definitely among the best book I have possibly read. I have study and i am sure that i will going to go through once more once more later on. Your lifestyle span is going to be convert when you full looking at this publication.

(Prof. Damon Kautzer III)

PATTERNS OF THE PRESENT

Createspace, United States, 2012. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. Patterns of the Present is a profound and inspiring account of the present situation of mankind and the world it lives in. On the threshold of the new millennium, countless pages have been written on the meaning of our world and its possible development. The conclusion in most cases was depressing - man would become an automaton in a sci-fi world. The author puts the present situation of humanity in the perspective of the evolutionary vision of Sri Aurobindo and The Mother. The result is a positive interpretation of the global situation. The meaning of history, the globalization of our planet, the values represented by East and West, their meeting and reciprocal fertilization, the future evolution of mankind - all these topics and more are presented here in a fresh, often surprising, perspective. Contents: 1. The Big Picture 2. The Avataric Field 3. East and West 4. Reason on Trial 5. Science, Scientism, Modern Technology 6. The Supramental Catastrophe 7. The Future of Humanity.
