iUniverse, United States, 2007. Paperback. Book Condition: New. 223 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is the first in a three-volume collection of poetic expressions that provides a cutting-edge blend of Spoken Word performance and Theological reflection. The Re-Mix Translation Vol. 1, takes 22 of the 66 books of the Bible as inspiration for words that bring together the concepts of Creativity and Christianity-Theology and The World-in an effort to introduce some and re-introduce others to the unconditional love and ever present power of God. Trina-Leshay reminds us that God's love is complete and God will provide healing and comfort to all who thirst for the refreshment that can only come from Living Water. Her words stand in the gap, as being not too holy and not too worldly, but just the right mix and/or remix of elements to bring a Refreshing Word to a Thirsty World. As your read the pages of this book you are entering into a sacred place where God's Word and God's people can meet in an effort to create and re-create the world in which we live. It is my hope that you find healing for your soul and inspiration to reach towards being all God created you to be. Trina-Leshay Williams.
