

## Sermon Planning: A Guide to Determine What Should Be Preached Next (Paperback)

---

By Dr Stephen M Johnson

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Putting the principles of this book into your sermon planning will free you from the crisis of wondering what you should preach next. By defining the full counsel of God, Dr. Johnson shows how to craft a preaching plan which promotes soul-transformation. 30 years of expository preaching enables Dr. Johnson to show us how to have confidence in our choice of what we preach. With an emphasis upon lectio continua preaching and using an expository model, this book ensures that we have built a solid foundation for spiritual transformation. The majority of texts on preaching focus on a one year and are tied to either the church calendar or the secular calendar. The plan presented here is a three or four year plan to preach the full counsel of God. While allowing for adjustments for special days, this plan enables the pastor to stay on track and have confidence in their preaching choices.

### Reviews

*Very beneficial for all type of folks. It can be rally intriguing through studying time. You will like how the writer publish this ebook.*  
-- **Nathan Cruickshank**

*Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
