Then you can guarantee it to be a good one to go. You couldn't have a better, sir. And it will stand a little roughish wear, you think I'm sure of it, sir; it's an uncommon strong watch. Then I'll take it. These few sentences determined my destiny, and from that moment my career may be said to have begun. I am old, and run down, and good for nothing now; but many a time do I find my thoughts wandering back to this far-off day; and remembering all that has befallen me since that eventful moment, I humbly hope my life has not been one to disgrace the good character with which I went out into the world. I was young at the time, very young scarcely a month old. Watches however, as every one knows, are a good deal more precocious in their infancy than human beings. They generally settle down to business as soon as they are born, without having to spend much of their time either in the nursery or the schoolroom. This item ships from La Vergne, TN. Paperback.
