BRAND NEW, Caribbean Home Economics: Book 3, Norma Maynard, Rita Dyer, "Caribbean Home Economics" has been designed to equip students with all the essential skills needed for successful home making. The three course books are each divided into a series of sections which consider the following basic topics: the family, food and nutrition, textiles and clothing, consumer education, entertaining. The complete course covers all the requirements of the CXC Home Economics syllabus. Within each section, various aspects of the topic are explored with the help of photographs and drawings.
