Reviews

An extremely amazing publication with lucid and perfect answers. It is written in easy phrases instead of confusing. I am just very happy to inform you that this is the best pdf we have read in my own daily life and can be the greatest publication for at any time.

THAT S GOING TO LEAVE A MARK (PAPERBACK)

Createspace, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. With broken bones and plenty of scars, author and outdoor adventure enthusiast Keith Beam reminisces his glory days in That s Going to Leave a Mark, a funny collection of twenty anecdotal vignettes noting a few of his major spills, falls, and follies. While television and videos have captured the past fifteen years of Beam s life, he s here to say that he s in the running for The World s Most Accident Prone Man and he s been working his whole life for the title. In twenty knock down, drag-out, chapters like Tundra Slide, Four-wheel Drive, Ninja Back-flip, and Barefoot Skiing, Beam never misses a beat-or a beating. With seventeen broken bones, twelve surgeries, a skull fracture, and hundreds of stitches to prove he s a contender-and absolutely nuts-readers will commiserate and laugh!.
