Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Abandoned to Divine Destiny takes the reader on a trek through time to that beginning of all things where there is only God. and you. Like a spiritual surgeon Jeremy seeks to reverse the effects of religious inoculations that have prevented you from envisioning your divine destiny and experiencing the spiritual realities that surround you. Like a spiritual director he endeavors to undo the religious programming that entangles you in a web of ecclesiastical activity that keeps you from your purpose in God. In trinitarian pillow talk, as Robert Farrar Capon describes it, both the Word and the Spirit are whispering your name in the ear of the Father. Jeremy unveils those words spoken in the beginning of time that plans and plots out your destiny. Abandoned to Divine Destiny reminds us that our destiny is not in our future; it is right here and right now. These prophetically penned words will encourage you and lift you up out of the smog of the religious city into that place of a pollution-free and spiritual environment where you can see your destiny and the things planned for you in the heart of the Father in the very beginning of time. I pray that you will read this book with faith and allow it to change you. I also pray that you will recommend it to your family and friends. This is a book written for this generation.
