SHoP, a prominent New York-based architecture firm, is currently at work on numerous projects across the globe; its clients include the United Colours of Benetton, Virgin Atlantic, Google, Goldman Sachs and the City of New York; its work has won numerous awards - including the American National Design Award for Architecture in 2009 - and is in the permanent collection of The Museum of Modern Art. This book's organization will allow readers both to see and better understand the firms work and business strategies, as well as provide ideas to improve their own building projects.
