Random House USA Inc, United States, 2001. Paperback. Condition: New. Revised, Expanded. Language: English . Brand New Book. Raymond Carver s complete uncollected fiction and nonfiction, including the five posthumously discovered last stories, found a decade after Carver s death and published here in book form for the first time. Call If You Need Me includes all of the prose previously collected in No Heroics, Please, four essays from Fires, and those five marvelous stories that range over the period of Carver s mature writing and give his devoted readers a final glimpse of the great writer at work. The pure pleasure of Carver s writing is everywhere in his work, here no less than in those stories that have already entered the canon of modern literature.
