Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the age of seven to the age of approximately thirty-seven, I was addicted to pornography. By the age of thirty-seven, I was experiencing such emotional, psychological, and spiritual pain as a result of the addiction that I frequently wanted to kill myself. Through a series of events, I began seeking help in getting free from that addiction. It has not been an easy journey, but I can say that now, at the age of forty-seven, I have been walking in freedom from the addiction for years - freedom that I once thought was impossible. You, too, can experience this same freedom if you want it - of that I am convinced. In this book I share the story of my personal journey into pornography addiction and my subsequent journey to freedom from the same. The second part of the book details some of the valuable insights I have gained and lessons I have learned on this journey to freedom. It is my hope that this book will help many of you on your own journey to freedom from addiction - whether you are addicted to pornography or something else entirely.
