An unrelenting army sweeps in from the badlands, wiping out every human city in its path. Hermod, a long-retired hero, escapes the destruction and gathers emissaries from his former enemies. Together, they must find a way to fight back against the Ferfolks overwhelming numbers, superior swordsmanship, and monstrous desert beasts. The ancient wizard Ogma sends the brave warriors into a demon-filled netherworld on a desperate quest to create a set of enchanted weapons powerful enough to stop the invasion. But magical weapons sometimes have agendas of their own. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
