Echo Library, United States, 2007. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The distinctive qualities of Gissing at the time of his setting forth were a scholarly style, rather fastidious and academic in its restraint, and the personal discontent, slightly morbid, of a self-conscious student who finds himself in the position of a sensitive woman in a crowd. His attitude through life was that of a man who, having set out on his career with the understanding that a second-class ticket is to be provided, allows himself to be uncereemoniously hustled into the rough and tumble of a noisy third. Circumstances made him revolt against an anonymous start in life for a refined and educated man under such conditions. They also made him prolific. He shrank from the restraints and humiliations to which the poor and shabbily dressed private tutor is exposed -- revealed to us with a persuasive terseness in the pages of *The Unclassed*, *New Grub Street*, *Ryecroft*, and the story of *Topham's Chance*. Writing fiction in a garret for a sum sufficient to keep body and soul together for the six months following payment was at any rate better than this. The result was a long series of highly finished novels, written in a style and from a point of view which will always render them dear to the studious and the book-centered. . . .
