

The Idea of Divinity (Paperback)

Filesize: 7.62 MB

Reviews

An extremely wonderful pdf with lucid and perfect explanations. I could possibly comprehend every little thing out of this created e pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Janie Wilkinson)

THE IDEA OF DIVINITY (PAPERBACK)

To read **The Idea of Divinity (Paperback)** PDF, remember to click the web link beneath and download the ebook or have accessibility to other information which are in conjunction with THE IDEA OF DIVINITY (PAPERBACK) book.

Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Idea of Divinity is the third and most recently published of a series of books based on the belief that ideas cause behavior - that the things people believe to be true strongly influence and often determine one's actual behavior. The thesis of this volume is that the idea of divinity is innate in human nature. In chapter one the author seeks to validate his thesis based on the research of other scholars, and by the examination and analysis of various primitive cultures. In the remaining chapters Dr. Crowder seeks to identify and trace the origin, growth, and development of the idea of divinity through the world's great religions, concentrating especially on each religion's fundamental beliefs and ideas, and the unique contribution each has made to the world of ideas, and to the history of humanity. Though limited in scope and explications, its focus on the essentials does provide a clear and concise reading of man's search for the divine from the time he became a conscious being to the present. In the Introduction to the book, Dr. Crowder states: I have made a special effort to be as historically accurate as possible, leaving ample room for discussion and improved understanding on the part of the reader. If he or she gains a clearer understanding of the beliefs and ideas of today's great religions, I shall be compensated for my efforts in full.
