

Whistle-Blowers: Exposing Crime and Corruption (Hardback)

Filesize: 1.04 MB

Reviews

Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Bernie Mante PhD)

WHISTLE-BLOWERS: EXPOSING CRIME AND CORRUPTION (HARDBACK)**DOWNLOAD**

Lerner Publishing Group, United States, 2015. Hardback. Condition: New. Language: English . Brand New Book. Sex abuse. Government spying on civilians. Lying under oath. These aren't the makings for crime novels--they're real-life stories uncovered by whistle-blowers with knowledge of deep, dark secrets. In one headline-grabbing case, Edward Snowden, an information technology specialist, revealed unauthorized US government surveillance around the globe. In another, Kathryn Bolkovac, a United Nations International Police Force monitor, went public with the involvement of UN peacekeeping forces in sex trafficking in war-torn Bosnia. In the 1990s, Jeffrey Wigand, corporate vice president at cigarette manufacturer Brown Williamson, went public with a report of the ways in which Big Tobacco was lying about the health risks of smoking. In earlier decades, a whistle-blower known only as Deep Throat helped Washington Post reporters track down a plot to bring down the Democratic Party during a presidential election season--a cover-up that went straight to the White House. What drives whistle-blowers to go public with what they know? Is it ethical to breach confidentiality? What laws protect a whistle-blower? And what about the shattered lives that lie in the wake of exposing crime and corruption? Follow the complex stories behind intricate webs of deceit. Listen to whistle-blowers explain their motives. Then decide for yourself if it's worth it to blow the whistle on crime and corruption.
