CNY: CUSTOMER AWARENESS: UPSTATE NY SHOPPING REVIEWS (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.How many of you have read and believed those reviews that are published in both books, magazines? How many of you have gone to these places expecting the same experience given by these so-called Reviewers? I decided, since I m already an author, to write about my experiences with both restaurant s various shops, to create my own reviews for people like me.the average Joe! The problem with the professionals, is that the manager s of these various stores, know who these professionals are; and know damn well that, if these companies aren t on their best behaviors during the visitations from these professional-reviewers; then they won t have something good to say in publications. In turn, will not only harm these various companies; but it will be extremely difficult to ever get customers. I believe that a lot of the stores that have had good reviews from these people that claim that they re writing for the people; and aren t being treated the same as people like you and me! Consequently, I decided to shed light to you, on my own experiences from the local stores, that many of Upstate New York continues to return to, or be considered as a new customer. I hope that you gain something from both good bad reviews that I have supplied for you! Enjoy.
