## JIM CURIOUS: A VOYAGE TO THE HEART OF THE SEA IN 3-D VISION

Harry N. Abrams. Hardcover. Book Condition: New. Hardcover. 52 pages. Dimensions: 13.1in. x 9.5in. x 0.6in. Jim Curious portrays the fantastical story of a young boy and his thrilling trip to the bottom of the sea in an old-fashioned diving suit. But there are no words telling his tale only intricately illustrated images in exceptional 3-D. On his journey, Jim initially passes the garbage tossed into the waters by land-dwellers, but soon he goes deeper and deeper, immersing himself in the wonders of the waters. He encounters sea creatures large and small, a sunken pirate ship, and even the remnant of what seems to be Atlantis, before coming upon a mysterious force at the bottom that turns everything on its head. Praise for Jim Curious **STARRED REVIEWS** Who needs 3D IMAX technology Originally published in France, this near-wordless picture book ensures an incredible journey without ever leaving the sofa. --Publishers Weekly, starred review In this wordless picture bookesque graphic novel, Picard gets to the heart of visual storytelling with a beautifully illustrated 3-D deep sea adventure. --School Library Journal, starred review Heres a masterful triple threat wordless book, comics-style book, 3-D book that successfully parries all charges of gimmickry. --The Bulletin of The Center for Childrens Books, starred review The lush, expressive black-and-white, full-page illustrations in this wordless graphic novel would be thrilling enough on their own, but French graphic designer Picard has rendered them in glorious, artful 3-D. When Jim slips beneath the surface of the water, the pictures pop off the page, giving a lovely sense of depth to his deep sea dive. --Booklist A thoroughly immersive outing. --Kirkus Reviews This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
