

## Home from Nowhere: Remaking Our Everyday World For the 21st Century (Paperback)

By James Howard Kunstler

SIMON SCHUSTER, United States, 1998. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In his landmark book *The Geography of Nowhere* James Howard Kunstler visited the tragic sprawlscape of cartoon architecture, junked cities, and ravaged countryside America had become and declared that the deteriorating environment was not merely a symptom of a troubled culture, but one of the primary causes of our discontent. In *Home from Nowhere* Kunstler not only shows that the original American Dream -- the desire for peaceful, pleasant places in which to work and live -- still has a strong hold on our imaginations, but also offers innovative, eminently practical ways to make that dream a reality. Citing examples from around the country, he calls for the restoration of traditional architecture, the introduction of enduring design principles in urban planning, and the development of public spaces that acknowledge our need to interact comfortable with one another.

### Reviews

*Basically no terms to clarify. It is actually written in basic terms rather than confusing. I found out this ebook from my dad and I suggested this book to find out.*

-- Elinore Vandervort

*If you need to add benefit, a must buy book. I could possibly comprehend every little thing out of this composed e pdf. I am quickly could get a enjoyment of looking at a composed book.*

-- Mrs. Mariam Hartmann
