Nursing Care Planning Made Incredibly Easy! (Paperback)

By -

Lippincott Williams and Wilkins, United States, 2017. Paperback. Condition: New. 2nd edition. Language: English . Brand New Book. Nursing Care Planning Made Incredibly Easy, 2nd Edition, is the resource every student needs to master the art of care planning—including concept mapping. Coverage includes the most up-to-date NANDA nursing diagnoses, expert tips on understanding and integrating NIC and NOC taxonomies, illustrated sample care plans, and step-by-step guidance on developing individualized care plans that deliver optimal patient care. Starting with the nursing process, this comprehensive resource provides the foundations for writing practical care plans—walking students through the care planning process, building the critical-thinking skills needed to individualize care, and offering tips on incorporating evidence-based standards and rationales into nursing interventions. Look for expanded evidence-based practice guidelines, clear explanations of standard terminology, and nearly 275 medical diagnoses with associated nursing diagnoses to make care planning easier. Nursing Care Planning Made Incredibly Easy will help you master complex subjects in minutes with Quick Quizzes at the end of each chapter to gauge learning and special elements found throughout the text to make it easy to understand and remember key points and information, including: * Teacher Knows Best icons to impart important reminders from Instructor Joy that help...
