Condition: New. Publisher/Verlag: vagabond books | Eindrücke aus Paris; Impressions of Paris | Paris viewed from an unusual perspective. What seems to be everyday is dramatized; tourist attractions present themselves to the observer differently. Bernd Rücker's photographic instinct for perspectives, composition and the extraordinary play of light and shadows make for an emotional experience. A story that depicts the city as the setting for musical adventure accompanies the photographs. Florence discovers a Paris that she never imagined. | "The melody began to resonate around the room in a melancholic crescendo: the dark urban canyons and the gloomy church flashed past her mind's eye. A moment later, during a cheerful passage, the sun suddenly poured down over the tin rooftops of Paris, only to be smothered again by the sombre bars of a black cloud. A tug of war broke out between major and minor, desire and despair, culminating in a musical duel." Young Florence has left the confines of her village to pursue her lifelong dream of becoming an orchestra musician. In her efforts to find an engagement, she discovers the streets of Paris - and Adrien a busker who has been playing in front of the city's sights for over twenty years. His erstwhile dreams of a career have long since taken a back seat, but his music casts a spell on Florence. A quest for happiness with Paris as a wonderful backdrop. An emotional book of photographs. | Straßen, Läden & Cafés, Centre Pompidou & Umbegung, Les Halles & Saint-Eustache, Eiffelturm & Seine-Ufer, Marais & Île de la Cité, Montmartre & Sacré-Cur, LouvreStreets, shops & cafés, Around the Centre Pompidou, Les Halles & Saint-Eustache, Eiffel Tower & Seine, Marais & Île de la Cité, Montmartre & Sacré-Cur, Louvre | Format: Hardback | Language/Sprache: german/deutsch | 3642 gr |...
