Race car mechanic Andressa Andi Amaro has one rule - no dating drivers. With a good reason behind the rule, she has no plans on breaking it. Carrick Ryan is the bad boy of Formula One, with a face and body that melt panties on sight and an Irish lilt that leaves women on their knees, begging for more. He races hard and parties harder. The youngest driver to ever sign with F1, he's still at the top of his game five years later, breaking hearts on and off the tracks. When Andi is offered her dream job working in the glamorous world of F1, she leaves her home in Brazil, positive she can handle working for Carrick. But she's not prepared for the off-the-chart sparks that fly the moment they meet. Now Andi has a crush on the one man she can't have, and her resolve is about to be put to the test, because Carrick has decided he wants Andi, and he plans on testing her to the very limit.
