## FIXED IDEAS: AMERICA SINCE 9.11

New York Review Books, 2003. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Novelist and essayist Joan Didion writes about the refusal of Americans to openly discuss and debate the Bush administration's new unilateralism toward both domestic and international policies since 9/11. This provocative and persuasive essay was originally published in The New York Review of Books, and garnered a tremendous response from the magazine's readers. In a preface commissioned for this book edition, Frank Rich, the popular op-ed columnist for The New York Times, echoes her argument with his own passionate analysis. Fixed Ideas is an incisive, timely political commentary from an American virtuoso.
