KEEPING IT SUPER SIMPLE IN NETWORK MARKETING: WHAT YOU RE NOT TAUGHT FROM STAGE! (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Hands down, this will be the very FIRST book everyone needs to read on Network Marketing! This book is specifically for the NEW or STRUGGLING network marketer out there. Even for that person that is THINKING of joining a direct sales company, but is in that research phase of their journey. It is my opinion, that this is the greatest industry in the world for the average John, Joe or Mary to earn extra income for themselves. But, in my 30+ years of Experience, Mentorship, Successes, Failures, Philosophies and Leadership, I ve learned several key things that distributors of these companies MUST know before they sign that dotted line to join! If you re already involved in a direct sales company, or MLM (Multi-level Marketing), then stop what you re doing right now. Start reading this eye-opening book immediately! I ve learned it s not only the tangible things you need to know. It s the INTANGIBLE things that make the biggest difference in your success or failure. Never let your definition of success be based on you promoting or ranking up to, Double Ruby Triple Diamond Senior Vice President Regional Director of the Universe! LOL! Stop it. Not only does this book explain principles where an 8 year old child can understand, but I will share with you what I wish I was told from the very start of my network marketing journey. Learning the good, the bad, the ugly, and the great of this industry, gives you a much better SHOT to create that Financial Relief income over 95 of people in the industry never achieve on a residual basis. Most distributors have never even earned an...
