After joking about a story told by a blind man about a place he had once visited where there s a flowering field with butterfly fairies, a dark forest with a troll and a wicked witch that took his sight away, the three girls agree that they wanted to see if this enchanted place called Butterfly Summer truly existed. Separated from her friends, Della finds a rare pink flower growing in a cluster of green ferns. After pulling the flower up by its roots, the earth begins to vibrate beneath her. As Della falls into a tangled-rooted abyss, she has no idea that she had just opened the secret portal to a world that s filled with beauty, darkness and wondrous creatures of all kinds. Della found Butterfly Summer, home to an old unicorn, mermaids and butterfly fairies who are in desperate need of help from someone brave enough to rescue their prince from the witch who s trying to conjure up a potion for true love.
