Random House USA Inc, United States, 1998. Paperback. Condition: New. Reprint. Language: English . Brand New Book. In this iridescent gem of a novel, Louis de Bernieres returns to the territory he mapped so well in *The War of Don Emmanuel's Nether Parts*, a South American country of resplendent eccentricity, gargantuan corruption, and terrifying violence, where the ordinary machinery of government has rusted and the only thing that works is magic.
