*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

Excerpt from The Biblical World, Vol. 27: January June, 1906 Questions of social ethics are to the front today as scarcely ever before in the history of Christianity. Newspapers and magazines are filled with articles exposing the iniquity of our municipal politics, denouncing the financial methods of the stock market and of the great business corporations, setting forth the statistics of crime and pauperism. When all just deduction has been made for exaggeration, hasty judgment, and malice, the facts that remain are saddening to every man. Who loves his fellow-men and believes in righteousness. Yet, old or new, the evils are real and grievous; and earnest minded men can but ask: What can be done to bring them to an end, to establish peace in place of war, honesty in place of fraud, justice and service to others in place of greed, self-control in the place of intemperance and lust? Especially must the student of the Bible and the Christian preacher ask themselves: Has the Bible a message for this day? Has the gospel power to heal the ills which afflict society in this age? And, if so, how can we bring this message and this power to bear effectively upon the conditions that alarm us and cry out for a remedy? About the Publisher Forgotten Books publishes...
