Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 244 pages. Traditionally the Black church tends to teach more about religion than spirituality and is virtually silent regarding sexuality. Who Told You That You Were Naked focuses on how this tradition adversely affects the single, heterosexual Protestant Black womans understanding of herself as a sexual being. Using the qualitative research method of phenomenology, this research explores how Black womens experiences and other sources for theological ethics can inform their desire to reconcile sexual and spiritual goodness. Who Told You That You Were Naked reveals that the difficulty in this reconciliation has roots in the larger issues of church-condoned gender hierarchy, Christianitys hierarchal dualism, and American (USA) race-based oppression and injustice. Inside these pages women will find relevant responses to their cry that the church is absent or impotent in helping us to navigate the everyday issues regarding love, sex, and romantic relationships. We rewind the text to (re)consider what the Bible actually says about non-marital sex, masturbation, and the submission of women to men. Who Told You That You Were Naked also provides creative ways to (re)configure our own lives in light of these discoveries with meditation, exercises, and small-group study. About the Author Dr. Candi Dugas focuses on themes of faith, freedom and justice in all of her writings from nonfiction to screenplays. She is currently developing Desires Kiss, an independent film project about a non-traditional Christian woman who asserts her independence from conservative views on sex and Gd. Desires Kiss is based on the research of this book and the Song of Songs. Candi has been writing since she could put pencil to paper. Her first book, Bootlicked to Balanced, is an introduction to Christian meditation. She earned her Doctor of Ministry degree from Columbia...
