Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

SILVER WOLF RISING (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Fate couldn't have picked a worse moment to bring two lonely souls together. Berserker warrior and drill sergeant Niall is being forced to retire from the Fenrir Army he's faithfully served for most of his life. Miserable and bitter, he's on the pack ship, waiting for a transport back to his home planet to be a farmer. Until trouble steps right on his prosthetic foot just as all Hell breaks loose. Widowed Dagny is on the pack ship waiting for a transport down to Earth, searching for a new purpose in this next phase of her life -- one that isn't centered around her grown children. But her new plans definitely don't involve following a cranky old soldier into the dark to survive. When enemy Axis powers invade the ship, blasting up the heat on a cold war, Niall and Dagny have to team up to save themselves and their shipmates, and to explore the lifeforce that is drawing them together. Together for now, but will fate be enough to keep them that way after the battle is over?.
