Not illustrated. 1850 Excerpt: .leaving Schools, the summer holidays of which begin early in June, are admitted to this School on and after the 15th of June in each year, for the remaining half of the current Term, on payment of one-half the amount of Fees which is charged for a whole Term. Pupils so admitted take their summer vacation at the same time with King s College School; and parents are not subject to the inconvenience of the double holiday. The half term, however, is not permitted to count in reckoning up the time a Pupil has been in the School, with the view of his becoming a candidate for the Scholarships. The general age for admission is from nine to sixteen years of age. Section III. FEES. The terms for the whole regular course of Instruction, including all extra charges, except books, drawing materials, and the elementary Lectures,...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
