Antioxidants: Mighty Cancer Weapons (Paperback)

By Thomas Lupich

Litfire Publishing, LLC, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Thomas Lupich is a retired electrical designer from Princeton University's Plasma Physics Laboratory. He is a tai chi instructor with an interest in science and health. When his wife developed cancer they began a quest for the best cancer treatments. After she passed away he continued that quest. His studies and strong interest in health and cancer, over a period of many years, has given him insights into various aspects of alternative health and healing approaches. He recognized the usefulness of powerful antioxidants for cancer patients. When he learned of a particularly powerful one, silica hydride (SH), he realized that it had the potential to greatly enhance the quality of life of the cancer patient. About a year ago he discovered an alternative medicine, Protocol that proved to be effective in curing cancer, at least from an anecdotal perspective. He realized that there is a main attribute of Protocols that also exists in SH. He brought Protocols to the attention a cancer victim, whom he calls Susie. Susie had been treated for metastatic breast cancer for eight years. It...
