Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Kanta Bosniak (illustrator). Language: English . Brand New Book ***** Print on Demand *****.Nurture your spirit with hands-on creativity that triggers your Divine abundance! This coloring book for teens and adults includes whimsical new drawings and illustrations from mind/body/spirit books of author/artist Kanta Bosniak. It s a great complement to her book Abundance Triggers, a how-to for shifting your state to prosperity consciousness. From the Author: Almost all my books, the workshops that I facilitate, and the one-on-one work I do with individual clients incorporates creativity in the spiritual growth process. This is because positive thoughts need to go deeper than the intellectual level. When they are intended to be so, creative activities like creative journaling, poetry-writing, drawing and doodle art, can be forms of self-hypnosis or meditation. They can take you right into your center of peace and wisdom and keep you engaged there long enough to enjoy an increased sense of well-being and to receive inspiration for your next steps in creating the life you desire. Please feel free to use these pages as a launching pad to your own artistic explorations. Extend and expand beyond the lines, jot notes, write haikus and affirmations, and above all, have fun!.
