Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Radiant, Vol. 8: March, 1916 TO reveal to you the necessity of a newer patriotism which is essential to the achievement of universal peace, you need only pause and behold the terrible European conflict raging in this glorious twentieth century. No longer do we hear the hum of the wheel Of progress. NO more do we see the weary plowman driving the fat herds from moor and fen, but in yon distance we hear the dying echoes of the country's call, The cry to arms, and then we see the soldiers gayly ride away together glory in the mighty conflict, dreaming of laurels to be won when the war is over. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
