

## Cultural Beings: Reading the Philosophers of Genesis (Paperback)

---

By Yuval Lurie

Brill, Netherlands, 2000. Paperback. Condition: New. Language: English . Brand New Book. Human beings are a cultural species. This predicament enables them to take on many different cultural identities, all of which transcend the bounds of natural behavior of other species. To contemplate this predicament through philosophy is to reflect on such questions as, What makes cultural forms of life possible? What is encompassed in them? What lies at their core? What distinguishes them from natural forms of life? What brings them about, sustains, and causes them to change? Philosophical answers to these questions predate abstract ways of thinking, as they are sometimes embedded in ancient mythical and religious narratives. Such is the story told in the first three chapters of the book of Genesis in the Bible, revealing how human beings became the cultural beings that they are. This study suggests how that ancient and most celebrated story in the literature of the West may be read as harboring insightful philosophical observations on the cultural nature of human beings. It first focuses on the very concept of cultural forms of life, revealing its complicated conceptual links to natural forms of life. It then offers an interpretive framework for reading...
