How to use diet, herbs, massage, and other practices to detoxify, strengthen, and regenerate your liver. The liver is key to the optimal health of the body. By supporting the liver, we support the health of the entire body. In this practical guide to cleansing and detoxifying the liver, Christopher Vasey shows how many features of modern living--such as overeating, medications, cigarettes, alcohol, food additives, and environmental pollution--overtax this powerhouse of an organ. Detailing how the liver functions, the author explains how to use diet, herbs, massage, and other practices to detoxify, strengthen, and regenerate your liver....
