

Summary of the History and Development of Mediaeval and Modern European Music

By C Hubert H Parry

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.From the PREFACE A FAIRLY comprehensive and orderly understanding of the history of his art is of great importance to a musician, both for the light it throws upon every department of practical work, for the widening of his artistic sympathies, and for the service that a rational study of history of any kind is capable of rendering to a man s mind and judgment. History is generally supposed to be based on facts; but in all branches, whether political, social, or artistic, there are a great many things which pass for facts which are very far from trustworthy, and a great many which, even if they were trustworthy, would be of very little importance. The personal details of the lives of men who played conspicuous parts in the story of art are of but little importance except in so far as they throw light upon their style or method, or the line of art which they chose; and on the consequent direction of the progress of art under their influence. Even dates are only of importance to...
