Strawberries Growing 2017: (FREE Bonus Included) Proven Ways To Grow Strawberries And Crop First Harvest This Year Oh strawberries. One of the most charming little fruits you can enjoy. There are few things more iconic than the red berry with its green cap - from strawberry ice cream to strawberry smoothies to strawberry and chicken salad, strawberries have managed to work their way into our menu in more ways than one. Everyone knows that the rich taste of home grown strawberries is the best way to indulge in this juicy fruit, but few people know how to get the maximum results when growing their own strawberries. Though these are relatively easy plants to grow, they do have their requirements, and there are things you can do to boost your crop. Whether you have been growing strawberries for years, or if this is your first year trying your hand at it, there are things you can learn and use to grow the biggest, best strawberries you can imagine. But where do you learn these things? What tricks are there that will boost your strawberry growth? What can you possibly do to make this easier? That s where this book comes in. In it, you are going to learn everything you need to know to grow the best crop of strawberries you have ever seen. From the jellies and desserts to the smoothies and even salads, you will have enough strawberries to do it all. All it takes is some dedication and patience, and you can have the strawberry...
