Rarebooksclub.com, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1874 edition. Excerpt: .in four Medical Officers of Health, for a population of 16,000, and pays each according to services. Louth, rural and urban, are typical districts. The former, with an acreage of 144,372 and a population of 24,260, gives its Medical Officer of Health a salary of 3751.; the latter, with an acreage of 2,560 and a population of 10,500, gives its Medical Officer of Health a salary of 1251. Both elect the same man, who devotes his whole time to his duty. Lyme Regis, urban, with a population of 2,400, pays a Medical Officer of Health half-a-guinea on every occasion it seeks his services. Maryport, with a population of 6,938, remunerates its Medical Officer of Health according to circumstances. The arrangements as to the Medical Officer of Health in the following urban districts we give without comment. Maidstone, population 26,239, 1001.; Middlesborough, population 50,000, 1251.;...

Reviews

It is an awesome publication which i actually have ever read through. it had been writtern really properly and valuable. I found out this book from my i and dad recommended this pdf to discover.

-- Doyle Schmeler

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
