

Cosmic Whisperer (Paperback)

By Rik McGuire

Outskirts Press, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book of short stories is of the genre fantasy, sci-fi, supernatural and life after death. Why this genre you may ask and you should. I have always been fascinated with fantasy and sci-fi from my earliest years. Peter Pan, The Wizard of Oz, Star Trek and all the Tom Swift books with his electronic something or other. My forays into the supernatural and life after death came about when I had to confront my own mortality not once, but twice. The first time when a motorcycle accident left me in a coma for six weeks. I was given last rites because the doctors were unsure of my chances. The second time when I was diagnosed with small cell lung cancer in the third stage in 1998. I hope these stories will scratch your cerebellum and make you wonder and think after you finish each story. I am working on another book of short stories, a novel called Wind Dancer and my autobiography tentatively entitled My First Fifty or so Years.
