Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Lots of wit and lots of humor! - As we all were gather d there Some to see us might have fancied we had never known a care! Just as well a man can bury Life s vexations for a time, Only by a sour-faced bigot is a frolic deemed a crime. Smile, my brother, when you want to, whereso er your lot be cast. Never mind the musty proverb, He laughs best who laughs the last. Better late, I know, than never, but we also must allow None can glorify the future looking sad and gloomy Now! Leave To-morrow s cares and worries till To-morrow s clouds appear. Millions scenting distant trouble miss the blossoms scatter d Here. Of the phantoms of the fancy Fear has been the poison asp. Sucking all the life and pleasure from the things within our grasp. Melancholia breeds but cobwebs in the chambers of the brain: Laughter like the bright Aurora scatters Sunshine in its train: - Light and Life and all the Graces smiling down from skies of blue. Thro their rosy-tinted fingers dripping balm like healing dew: - Laughter! - Nature s best elixir for a thousand human ills With no after-tang to follow in the shape of doctor s bills!
