

## The British State and the Ulster Crisis

By Henry Patterson

Verso. Paperback. Condition: New. 162 pages. Dimensions: 7.8in. x 5.3in. x 0.6in. It is widely argued that Britain has always followed a coherent imperialist strategy in Northern Ireland. Paul Bew and Henry Patterson take issue with this assumption in the first serious study of British policy towards Ulster over the past twenty years. They demonstrate, through a detailed examination of the twists and turns of successive governments, the fundamental incoherence of Britain's approach in its oldest colony. Simplified notions about the consistency of British policy have led to undue pessimism amongst those advocating progressive change in the North. As a consequence they have missed real opportunities to achieve significant political realignment by exploiting the contradictions in Britain's stance. Rejecting both the nationalist stance which defines the crisis in terms of an occupying army and the traditional bi-partisan approach which sees it only as a problem of terrorism, *The British State and the Ulster Crisis* is a brave and original contribution to a vital contemporary debate. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

### Reviews

*This ebook is great. It typically will not expense a lot of. You will not sense monotony at at any moment of your own time (that's what catalogs are for about when you question me).*

-- Shaniya Torphy PhD

*A new e-book with a brand new point of view. I really could comprehend everything out of this written e publication. I realized this publication from my dad and i encouraged this publication to understand.*

-- Ashlee Gulgowski
