Reviews

This ebook could be worthy of a read through, and far better than other. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this publication to learn.
(Stefan Von)

THE UNFOUND: (SHINE 8)

Babylon Books, United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.In the near future, a few young women manifest extraordinary abilities called Shine. Each girl's ability is different. Some develop extraordinary mental abilities. Some become physically strong. Others have powers that defy description. But the world does not embrace these Shines. It fears them. Using a controversial new test, Tennessee state authorities target and arrest Shines, even if their powers have not yet manifested. They go after Lola, a newlywed military codebreaker--and her husband is shot during her arrest. In the aftermath of the tragedy, Lola is sentenced to rehabilitation along with Shinal, a Gold Medal Olympic gymnast, and Frenchie, a hairdresser with an attitude. Stripped of their freedom and sentenced to a government camp for brainwashing, torture, and experimentation, the three Shines must find a way to escape before it's too late.
