

Blackface, White Noise: Jewish Immigrants in the Hollywood Melting Pot

Filesize: 7.41 MB

Reviews

It is great and fantastic. Better than ever, though I am quite late in starting to read this one. Your life period will likely be transformed once you comprehensively read this book.

(Blanca Davis)

University of California Press, United States, 1998. Paperback. Book Condition: New. Revised ed.. 224 x 152 mm. Language: English . Brand New Book. The tangled connections that have bound Jews to African Americans in popular culture and liberal politics are at the heart of Michael Rogin's arresting and unnerving book. Looking at films from Birth of a Nation to Forrest Gump, Rogin explores blackface in Hollywood films as an aperture to broader issues: the nature of white identity in America, the role of race in transforming immigrants into Americans, the common experiences of Jews and African Americans that made Jews key supporters in the fight for racial equality, and the social importance of popular culture. Rogin's forcefully argued study challenges us to confront the harsh truths behind the popularity of racial masquerade.
